Great, thanks for the clarification and the update on the illegal dumping signs. As it says in the SR it will be completed on Monday, May 4th correct?

Thanks again,

Also, again, there are no illegal dumping signs and we do not have an estimate of when we will get those at this time.

Good morning Sarah,

According to the service request this location is pending because it is considered a homeless encampment. According to Eve, there is no homeless encampment in that area. May sanitation clear it up?

Thanks,

Hi there! I have a stretch with much dumping (multiple piles along Wentworth, located between Wheatland and Shadow Island Dr) that I reported through 311 last week. They have been referred: "Ticket Completed by Phillip Santiago using truck 36014 on 04/27/2020 08:04 using Phone App. Reason: Needs Further Review". Could you let me know what the status is, and when it might be completed? It is a case w constituent.... Also, any updates on the 'no dumping' signage that Sanitation was going to place at the frequent dumping sites I requested? Thanks so much, and hope you are doing well, under the circumstances....
